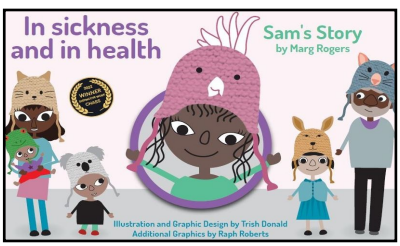
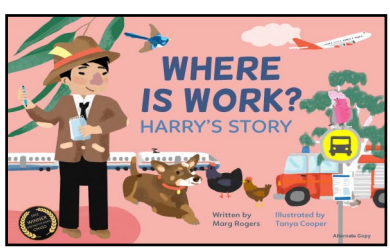
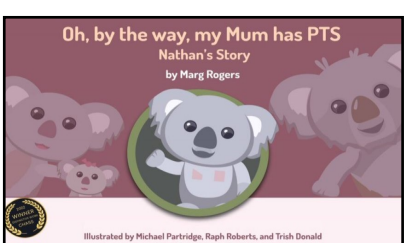
Child and Family Resilience Programs

Free, co-created research-based resources and supports.

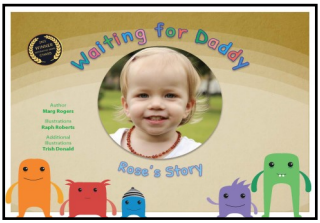
www.ecdefenceprograms.com

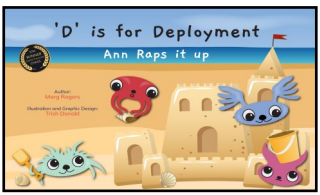


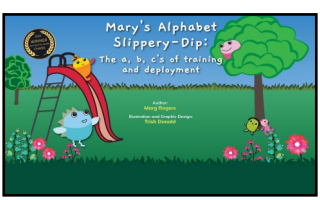


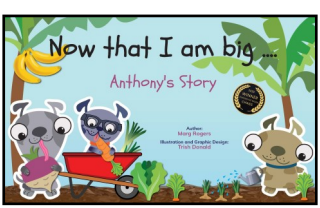


Printed by: Ascent Digital Print ARMIDALE NSW 2350









Free, co-created resources for:

- children
- parents
- educators
- family and social workers

These include:

- award-wining children's storybooks with accompanying educational activities (puzzles, puppets, games, storytelling, matching, memory and sequencing activities)
- award-winning interactives
- online multimedia learning modules to assist adults to better support children who experience parents working away, family relocations, and parents with work-related trauma, health or mental health conditions.
